whether this road will be constructed and if so, in what time. A straight answer will be very much welcome. It is a real hardship and suffering. I think, a dozen times I have brought this fact to the notice of the Government. I want a reply from the Government.

*Mr. V. K. Aravindaksha Menon *(Chief Engineer):* This road connecting Kallettumkara Railway Station to Thazhekad is about 2 to 3 miles long and we have to cross through 3 paddy fields of which 2 are along the puncha nilam. The cost of works will be about 15,000 rupees and it is really a short cut to the people from the Railway Station. I shall place this matter again before the next Road Board meeting for its consideration and collect all details necessary for them to come to a decision.

Mr. A. V. Moothedan *(Chalakkudi):* So this is the answer that I can give to the people. I think the Chief Engineer will put a strong word in favour of this work to the Road Board meeting. There is no use of simply placing it before the Road Board. It will be a boon to the people.

The motion was, by leave, withdrawn.

Cut Motion No. 10.

To extend the Kizhakke Chalakkudi-Pariyaram road to the St. George's School, Pariyaram.

Mr. A. V. Moothedan *(Chalakkudi):* I move *to reduce the allotment of Rs. 2,08,200 under Communication Original by Re. 1 to request the Government to extend the Kizhakke Chalakkudi Pariyaram road to the St. George's School, Pariyaram.* The cost for this work will be only Rs. 500. I think no speech is necessary in this matter. The Chief Engineer will do it without any exhortation on my part. It will be a very great convenience to the people of the locality.

Mr. V. K. Aravindaksha Menon *(Chief Engineer):* I shall look into that question.

The motion was, by leave, withdrawn.

Cut Motion No. 11.

To widen the Palluruthy road.

*Mr. V. P. Kannu Pillai *(Mattancheri):* I rise *to move that the allotment of Rs. 2,08,200 under Communications Original be reduced by Re. 1.* (പള്ളുരുത്തി റോഡ് വീതിപ്പെടുത്തേണ്ടതിനെ ാവമ്പെണ്ടിൽ നിന്നും ഉണ്ടായ ഓർഡറുകളെ സംബന്ധിച്ച സംസാരി പ്പാൻ). സർ, ഇതു് ടെണ്ടിലെ ടങ്ക റോഡിനെപ്പറ്റിയുള്ളതാണ്. ഈ റോ ഡ് ഇപ്പോൾ വളരെ മോശമായിട്ടു ണ്ട്. വെണ്ടുരുത്തിയിൽ നിന്നുള്ള പാ ലം കൂടി വന്നു കഴിഞ്ഞാൽ ഈ റോഡിൽ ട്രാഫിക്ക് വളരെ അധികമാകും.
